

REQUEST TO PAINT HOUSE OR DRIVEWAY

PLEASE READ THE CODE AND GUIDELINES BEFORE COMPLETING THE MODIFICATION FORM

The Modification Form is to be submitted for **ANY & ALL** exterior modifications to your home or property. This also includes landscaping and removal or planting of trees. Completed form is to be returned to the office.

NO work is to be started until the homeowner receives an Approved Permit, which is to be displayed in a front window.

From the time you submit the request it could be 3 to 5 days, or more to be approved.

Architectural Code

The purpose of the Architectural Committee is to uphold covenants and restrictions relating to home improvements in our neighborhood. It is responsible for maintaining some sort of cohesion in the color palette, peripheral structures and overall look and feel of our community. All liability for any modification is the homeowners' responsibility only.

The process for modifying your property is as follows:

- Begin with the submission of the Exterior Modification of Home/Property Form.
- The Committee will review the request and the resident will be notified of the approval or denial.
- If approved, residents are free to begin the work.
- If denied, there are two courses of action for the homeowner.
 - First, the homeowner may choose to select an alternative material, color or whatever is applicable to the particular circumstance and submit a new modification form to the Architectural Committee.
 - Secondly, the homeowner may appeal the Architectural Committee's decision to the LHE Board of Directors. The Board shall review the Architectural Committee's decision and either support or overturn it.
 - The Board's decision is the final word on the issue.

From the time you submit the request it could be 3 to 5 days, or more to be approved.

WORK CAN'T BEGIN UNTIL YOU HAVE THE APPROVAL.

Please call chairperson, Don Fournier 207-754-6154 or anyone on the committee if you have any questions.

Thank you, The Architectural Committee

LAKE HENRY ESTATES
