2.22 If the construction of any Home or any improvement on a Lot is abandoned or unreasonably delayed for any reason, each Owner, by the acceptance of the deed to the Lot, grants to the Manager and its employees and agents the right and license to enter said Lot and to complete the construction of such Home or improvements. All costs and expenses by the Manager to complete such construction, plus a reasonable profit thereon, shall constitute a lien upon said Lot,

which lien shall become effective upon the recording of a written statement of lien in the Public Records of Polk County, Florida. The enforcement of said lien shall be in accordance with the laws of the State of Florida applicable to mortgage foreclosure actions and the Owner of said Lot shall, by virtue of having acquired said Lot subject to this Declaration of Restrictions, be deemed to have authorized and contracted for such completion and construction. The lien herein provided for shall be subordinate to any first mortgage lien in favor of an institutional lender.

2.23 Manager shall have the right to adopt such other reasonable rules and regulations covering the utilization of the Lots and the behavior of the Owners in order to maintain the aesthetic, harmonious and tranquil qualities of the Subdivisions, all of which shall apply equally to all of the parties in said Subdivisions. Newly adopted rules and regulations shall take effect within seven (7) days from the sending notice of adoption to the Owners. Any violation of the rules and regulations will subject the Lot to an assessment of Fifty dollars (\$50.00) per day from the date of notification of the infraction to the Owner.

2.24 Homes shall not be rented or leased for less than three (3) months and all rentals, leases, or other tenancies shall be reported to the Manager. Rental of individual rooms is not permitted. All Owners are responsible to notify the Manager of any person occupying the home when the resident/owner is not present. Any violation of this provision shall result in an assessment against the Lot involved in the sum of Fifty dollars (\$50.00) per day from the date the tenancy commences until the date said tenancy is terminated. Any such assessment which if not paid within thirty (30) days of notice of said assessment shall become a lien on the Lot involved in the violation and shall become effective upon recording said lien in the Public Records of Polk County, Florida, and said lien shall have the same priority as provided in paragraph 4.7, of this Declaration of Restrictions.

2.25 All residents must comply with all regulations, rules or other requirements of the Southwest Florida Water Management District and the Florida Department of Environmental Protection.

2.25 (b) Guests, visitors and tenants of any Owner shall comply with the Declaration of Restrictions of the Subdivisions in the same manner as resident Owners. The Owner is responsible for the actions of the Owner's guest(s), visitor(s), tenant(s) or other invitees.

2.26 Hurricane window protections are to be installed no more than 72 hours prior to the forecasted time of a storm's arrival and removed within 72 hours of a storm's passage. Commercially installed protection must be retracted at all times other than those times designated in the foregoing sentence. Violation of this provision shall result in an assessment against the property of Fifty dollars (\$50.00) per day from the date the violation occurs. Any such assessment(s), which if not paid within thirty (30) days of notice of said assessment, shall become a lien on the Lot involved in the violation and shall become effective upon recording said lien in the Public Records of Polk County, Florida, and said lien shall have the same priority and shall be enforced and/or foreclosed as provided in Paragraph 4.7, of this Declaration of Restrictions.

2.26 (a) Homeowners along the golf course, for these residents, the shutters have a dual purpose. They also protect their windows from breakage due to golf balls. Shutters that are commercially installed or resident installed must be in compliance with architectural standards. Shutters that are within these guidelines may be used year round.

2.27 Entrance and exit gates will be closed 24 hours a day/7 days a week (24/7). The Manager may implement and enforce other rules and regulations concerning the operation of the gates.

2.28 Parking adjacent to the Bocce/Tennis courts and between 440 – 441 Sweetwater Way will be by Permit only. Parking on the streets at night will be by Permit for only a 24 hour period. Guest and other Permits will be issued by the Manager through the Office to the Lot they are visiting. There shall be no parking adjacent to the clubhouse. The Manager may implement and enforce other rules and regulations concerning parking within the Subdivisions.

3. **EASEMENTS AND RIGHTS-OF-WAY:**

3.1 Easements and rights-of-way in favor of the Manager, Sweetwater Utilities and utility companies chosen by the Manager are hereby reserved for the construction, installation and maintenance of utilities such as electric lines, sewer, drainage, water lines, cable television, telephone and telegraph lines or the like

necessary or desirable for public health and welfare. Such easements and rights-of-way shall extend over and across every portion of each Lot on which portion a Home, porch or garage/carport is not located.

3.2 Manager reserves the right to change, extend or close any streets or roads in the Subdivisions or to cut new streets or roads, provided such change or changes shall not interfere with ingress or egress to the property of the Owner or alter the size of any Lot.

3.3 There is hereby created, declared, granted and reserved for the benefit of the Manager and the Owners and their respective employees, agents, invitees, members and guests a non-exclusive easement for ingress and egress, to, from, over and upon all portions of the Subdivisions which are located nearby or adjacent to the golf course for the purpose of allowing golf balls to travel over and into and to come to rest upon and be retrieved from any and all portions of the Subdivisions located nearby or adjacent to the golf course. Inasmuch as it is not uncommon and, indeed, quite usual in the course of the playing of the game of golf for golf balls which are struck during the course of play to be hit beyond and leave the boundaries of the golf course being played and in so doing for such golf balls to travel over and come to rest upon or within properties nearby or adjacent to the golf course, neither the Manager, nor any Owner, nor their respective employees, agents, invitees, members or guests, shall have any liability or responsibility whatsoever for any property damage occasioned by or personal injury to any person, whether an Owner, a member of such Owner's family or any employee, guest or invitees of such Owner, who or which is accidentally or negligently struck by a golf ball which shall travel beyond the boundaries of the golf course. Moreover, the travel, entry within and coming to rest of golf balls over, upon or within any property nearby or adjacent to the golf course shall not be deemed to be or constitute a nuisance or hazard to the health, safety or welfare of the Owner of any property near or adjacent to the golf course and no injunctive relief or damages therefor shall be recoverable by any party or granted by any court; it being expressly agreed by any Owner of property nearby or adjacent to the golf course that the risk of such personal injury or damage to property has been assumed by such Owner on behalf of himself, the members of his family or his employees, guests and other invitees at the time of the acceptance of a deed or other conveyance to his Lot.

4. SERVICES TO BE PERFORMED BY MANAGER:

4.1(a) Sweetwater Utilities shall provide water and sewer services to the Subdivisions and each Lot within the Subdivisions; provided, however, that in exchange for the payment made by each Owner pursuant to Paragraph 4.2, below, Manager shall be obligated to provide only Eight thousand (8,000) gallons of water each month to each Lot. Water to be supplied is subject to regulation by the State of Florida through its regulatory agencies. The provision of additional water shall result in an additional charge to the Owner at a rate to be established by Sweetwater Utilities. Rate schedules are published and are maintained at the Manager's office.

4.1(b) The Manager shall maintain the area of the Subdivisions owned by the Manager for use by the Owners upon terms and conditions, and at the rates established by the Manager and as set forth herein. Specifically, Manager shall maintain all preservation areas and drainage and retention facilities located within the Subdivisions in accordance with all applicable state and local requirements.

4.1(c) The Manager may provide basic cable service (no premium channels) to each Lot for so long as such cable service is available to the Subdivisions. If premium channels are available, an Owner may contract with the cable service provider, its successors, subsidiaries, or assigns, for such channels upon the payment of additional charges to be established by the cable service provider, its successors, subsidiaries, or assigns.

4.2 Each Owner hereby agrees to pay a monthly assessment or charge against each Lot for the services set forth in Paragraphs 4.4 and 4.5 of the Declaration of Restrictions and any subsequent amendments or supplements thereto. In the event the Owner transfers, assigns, devises, or in any manner conveys its interest in and to the Lot and/or Home, the new Owner shall be obligated to pay the prevalent monthly charge that is then in force and effect for all new Owners of Lots in the Subdivisions. Included, without limitation within the charge or assessment, shall be the cost of maintenance of all roads, utilities, and recreational facilities erected by the Manager or its predecessors, the provision of water and sewer services, and the provision of basic cable services; provided, however, that Manager reserves the right

to charge additional fees as set forth above and additional access fees to Owners for their use of the golf course, marina, and storage areas.

4.3 The monthly assessment or charge set forth in Paragraph 4.2, above, is based on the cost to deliver such services. The Board of Directors, as elected representatives of the Shareholders, will from time to time implement increases in the monthly assessment in amounts sufficient to satisfy the normal operating expenses plus capital expenditures deemed necessary to maintain the community in a solvent (fiscally sound), safe and desirable condition, but not to exceed twenty percent (20%) at the time of any such increase. At such time that it is determined that no major capital expenditures are required, all outstanding debt has been satisfied, all normal operating expenses are met and a reasonable corporate account balance exists, the Board of Directors may consider a reduction in the monthly maintenance assessment.

4.4 Notwithstanding Paragraph 4.3, above, increased expenses incurred by the Manager or Sweetwater Utilities to deliver the services designated in Section 4.1, above, plus a profit, shall be passed through to the Owners by way of a proportionate increase in the monthly assessments or charges to be paid by Owners or by single lump-sum assessments. Such expenses may include, but are not limited to, increases in ad valorem taxes and assessments upon properties within the Subdivisions owned by Manager or Sweetwater Utilities, governmentally mandated capital improvements, rebuilding, repairs or extra maintenance required by natural or man-made calamities, increased charges by vendors and suppliers of such services to Manager, and increases with respect to the delivery of utility services approved by the Florida Public Service Commission or successor rate supervisor. With respect to any increases referred to herein, Manager and Sweetwater Utilities shall maintain with respect to the total monthly charge a profit margin consistent with profits being realized by managers and owners of similar subdivisions. Such expenses may be passed on at any time to the Owners and shall be due when charged or assessed.

4.5 Each Owner agrees that as additional facilities and/or services are requested by the Owners, and the erection of such additional facilities and/or implementation of such additional services is agreed to by the Manager, in its sole discretion, that upon a vote of 2/3 of the Owners approving such additional facilities and/or services and commensurate charges therefor, that the monthly assessment provided for by Paragraph 4.2, above, shall be increased accordingly.

4.6 The monthly charges for services described in Paragraphs 4.1 and 4.2, above, as well as for other services provided by the Manager and/or Sweetwater Utilities, shall be due and payable monthly on the first day of each month and said charges will continue from month to month whether or not said Lot is vacant or occupied. Effective January 1, 1998, there will be a late fee of five percent (5%) added to any amounts in arrears in excess of five (5) business days.

4.7 Owner does hereby give and grant unto the Manager and Sweetwater Utilities a continuing lien in the nature of a mortgage upon the Lot of the Owner, prior to all other liens and encumbrances. This lien shall secure the payment of all monies due the Manager and Sweetwater Utilities hereunder and may be foreclosed in the manner provided for the foreclosure of mortgages. In any such action or other action to enforce the provisions of this lien, including appeals, the Manager and Sweetwater Utilities shall be entitled to recover reasonable attorney's fees, abstract bills, court costs and all other expenses of litigation.

4.8 Purchasers of Lots, by the acceptance of their deed, together with their heirs, successors and assigns, agree to take title subject to and be bound by this Declaration of Restrictions and all subsequent amendments or supplements thereto, and to pay the charges set forth in this Paragraph 4; and said acceptance of such deed shall further indicate approval of said charges, and permitted increases thereof, as being reasonable and fair, taking in to consideration the nature of the Subdivisions and all other benefits to be derived by the Owners as provided for herein.

4.9 Purchasers of Lots further agree and acknowledge, by the acceptance of their deeds, and the payment of the purchase price therefor, that said purchase price was solely for the purchase of said Lot or Lots, and that said purchasers, their heirs, successors and assigns, shall not have any right, title or claim or interest in and to the roads, utilities, recreational areas and facilities contained therein or appurtenant thereto, by reason of the purchase of the respective Lots, it being specifically agreed that Manager, its successors and assigns, are the sole and exclusive owners of said facilities.

4.10 Manager and Sweetwater Utilities reserve the right to enter into Management Agreements with any person, firm or corporation to maintain and operate the streets, utilities and other portions of the Subdivisions which the Manager

and Sweetwater Utilities have an obligation to maintain, and for the operation and maintenance of the recreational facilities. Manager and Sweetwater Utilities agree, however, that any such contractual agreements between the Manager and Sweetwater Utilities and a third party shall be subject to all of the terms, covenants and conditions of this Declaration of Restrictions. Upon the execution of such a Management Agreement, Manager and Sweetwater Utilities shall be relieved of all further liability hereunder for the actions of the person, firm or corporation assuming the operational duties set forth in the Management Agreement.

4.11 Purchasers of Lots, subsequent to the date of filing of this document, further agree and acknowledge that it is mandatory to be a member of the Corporation that serves this community subject to the dues, assessments, requirements, and regulations involved therein. At the time of filing this Declaration of Restrictions, several Owners of Lots within the Subdivisions have become owners of shares of the corporation which is the Manager of the Subdivisions. Subsequent to the filing of this Declaration of Restrictions, purchasers of Lots owned by Manager, or other parties who became Owners of any Lots in the Subdivisions by any transfer of ownership, shall become shareholders of the corporation which is the Manager. The minimum investment in the corporation shall be as established by the corporation.

4.12 The Manager shall not employ a resident of the Subdivisions as a paid employee.

4.13 All notices or correspondence to the Owners from the Manager will be addressed for delivery to the address of the Owner's Lot(s).

5. **SALE OF PROPERTY:**

5.1 Prior to the sale of any Lot, the prospective buyer shall be given a copy of the Declaration of Restrictions, as amended from time to time. Purchasers of Lot(s) must provide to the Manager a signed acknowledgment of receipt of this Declaration of Restrictions and the other governing documents of the Subdivisions. The purchaser must also provide to the Manager proof of age relating to "housing for older persons" for purposes of compliance with Paragraph 2.18 hereof.

6. **ENFORCEMENT:**

6.1 If any Owner or persons in possession of a Lot or Lots shall violate, or attempt to violate, any of the covenants, conditions and reservations herein, it shall be lawful for the Manager, in its sole discretion, to prosecute any proceedings at law or in equity against any such person or persons violating or attempting to violate any such covenants, conditions or reservations, either to prevent him or them from so doing or to recover damages or any proper charges for such violation. Costs of such proceedings, including reasonable attorney's fees, shall be paid by the party losing said suit.

6.2 If any Owner or person(s) in possession of a Lot or Lots shall violate or attempt to violate any of the covenants, conditions and reservations herein, the Manager shall have the authority to assess a fine or fines against the Owner in an amount not to exceed Fifty US Dollars (\$50.00) per day commencing ten (10) days after notice of the violation is provided to the Owner by Certified Mail from the Manager in the event the violation is not terminated or corrected by the violator within the ten (10) day notice period. The total fine may not exceed Five Thousand US Dollars (\$5,000.00). Any fine assessed pursuant to the provisions of this paragraph which is not paid within thirty (30) days may become a lien which attaches to the Owner's Lot. Any Lien filed in accordance with the provisions of this paragraph shall have the same priority and the same remedy for enforcement provided for in paragraph 4.7, above. The provisions of this paragraph shall not serve to revise any other enumerated provisions of this Declaration of Restrictions concerning their violation. The Manager may, at its option, elect any enforcement method set forth in these Covenants.

7. **INVALIDITY CLAUSE:**

Invalidation of any of these Covenants by a court of competent jurisdiction shall in no way affect any of the other Covenants, which shall remain in full force and effect.

8.1 ADDITIONAL PROPERTIES:

By the recording in the Public Records of Polk County, Florida, of an additional Declaration or Declarations, the Manager is permitted to subject additional property or properties, either contiguous to or not contiguous to the Subdivisions, to covenants, restrictions, reservations and servitudes identical or similar to this Declaration of Restrictions and may integrate additional properties into the Subdivisions for any or all purposes hereunder. Specifically, and without limitation, Manager may provide the owners located within such additional properties with access to recreational areas and facilities, clubhouses, golf courses, marinas or other facilities located within the Subdivisions, upon the same terms and conditions that the Owners have access to such facilities.

8.2. LAKE FRONT PROPERTIES

Under the restriction of the Conservation Easement No. OGC 96-3262 that was agreed upon November 18, 1996, and recorded November 17, 1997, and transferred in kind to Sweetwater East Investment Company dba Lake Henry Estates upon the purchase of said property on December 4, 1997:
