

HOW TO USE NEWSBRIEFS SITE:

Some residents are not sure about how to maneuver within the Lake Henry Estates NEWSBRIEFS site. This site has **seven different Page Categories**. They are listed under the "oval" heading photo shown below the Office hours.

NewsBriefs BOD Gallery Sunshine
People Documents Calendar/Newsletter

To move from one Page Category to another, **simply click on, or select** a Page Category (Newsbriefs, BOD, Gallery, Sunshine, People, Documents, or Calendar/Newsletter). This will automatically take you to that "Page".

READING ARTICLES

Each article has a Title and a brief text snippet of the article. There are 3 ways to read an article. To open the entire article, you may **click on or select** any Heading Photo, (or if no photo), then select the Title, or you may select the words "read more" at the end of the snippet .

To get back to the regular page, select the "back" arrow found at the bottom of your page.
